REPORT OF HANCOCK VOLUNTEER

FIRE DEPARTMENT

This past year we have replaced and repaired four Indian Fire tanks, bought 500 ft. 1½ hose, a new foot valve for the Groman Rupp Pump and answered the following calls.

Dump	25
House	4
Grass	2
Car	3
Chimney	4
Miscellaneous	3
Flooded Oil Burners	1
Woods	6
Filled Wells	7
Trailers	2
Hancock Point Tennis Court	1
Garage	2
Mutual Aid	2
	—
	62

We had a balance on hand February 1, 1965, of \$591.80; raised by Town, \$400.00; raised by the Department, \$842.00; received from the State, \$35.00; Hancock Point, \$250.00. We had expenditures of \$1,684.71, leaving a balance February 1, 1966 of \$434.09.

We still have a fireman on duty every Sunday to check all equipment and clean the fire house.

We have also purchased a new Walkie Talkie radio and have a new two-way radio at the Chiefs house.

Respectfully submitted,

ROBERT NESMITH,
Fire Chief.

HANCOCK

SCHOOL REPORT

To the Citizens of the Town of Hancock I hereby submit my first annual report as your Superintendent of schools:

Schools opened in September with the following enrollment by rooms and grades:

Grade	Teacher	Number	Totals
8	Mr. Ashmore	10	25
7	Mr. Ashmore	15	--
6	Mrs. Gordon	18	36
5	Mrs. Gordon	18	—
4	Mrs. Moores	15	28
3	Mrs. Moores	13	—
3	Mrs. Clark	9	28
2	Mrs. Clark	19	—
1	Mrs. MacGregor	34	34
			<hr/>
			Total 151

It is anticipated that your elementary enrollment next fall will be over 165 and will practically demand a sixth full-time teacher in order to accommodate that number, as well as to relieve what is presently 40% over-crowding in grades 1, 5 and 6. Over crowded classrooms rob your children of the opportunity to get the most out of his schooling; creates a deficit he or she may never overcome in years that follow. The only solution from my point of view is to complete the interior of your "extra" classroom for occupancy in the fall and have six full time teachers in grades one through eight. In addition to an extra full-time teacher, I am recommending the employment of at least one teacher-aid immediately, to take the load out of the four upper grades. In the fall it would be well to also have a second teacher-aid in the lower grades. The proposed grade placement next fall which seems most practical would be as follows:

	Grade	Number	Room Total
Ashmore	8	15	33) One Teacher
	7	18) Aid Now
Gordon	6	18	33)
	5	15	
Moores	4	23	23)
Clark	3	19	19) One Teacher
MacGregor	2	28	28) Aid in Fall
Extra Teacher	1	30	30)
			<hr/>
Total			166

We will be requesting federal funds to finance the teacher aids, but in the event the funds are not allowed, we should be able to hire these extra people anyway.

While this will remedy much of what is difficult to deal with in your school, we still will have made no provision for a Kindergarten, which no town today should be without. I plan to do whatever is necessary to obtain a Head-Start program for Hancock to fill this void.

Your secondary enrollment is as follows:

Ellsworth High School:

Freshmen: Donald Abbott, Bruce Clark, Beth McMillan, Jane Partridge, Douglas Pinkham, Anita Pond, Randolph Sargent, Sally Thorsen, Thurston Wilbur, Sharon Hudson.

Sophomores: Larry Grant, Linda Grant, Manley Lounder, Robert McVay, Lucille Stratton.

Juniors: Loren Clarke, Paul Dow, Junemma Foss, Nancy Hardison, Glen Lowe, Dennis Moon, Franklin Phillips, Richard Springer, Walter Walker.

Seniors: Darlene Bowden, Larry Hodgkins, Thomas Johnston, David Jordan, Olandra Lancaster, Leslie Ohrenberger, Anne Pomroy, Arthur Stevens.

Sumner Memorial High School:

Freshmen: Sheila Lounder, Laurene Moon, Alexander Paganucci,
Janet Phinney, Danny Warford, Steven Warford.

Sophomores: Bradley Carter, Bruce Carter, Gerald Kief.

Juniors: Dianne Carter, James Johnston, Marjorie Kief, Beverly
Walker.

Seniors: Vinson Carter, Dale Griffin, Georgia Lounder, Pamela
Lounder, Marjorie Springer, Barbara Walker, Thomas Wal-
ker.

I can recommend nothing more highly to you than that school and town officials should be working for the day when you can avail yourselves of modern junior high facilities for your 7th and 8th grades. Neither can you afford to ignore the possibilities of a School Administrative District and these same elected officers must keep studying all possibilities of ways to provide the best education possible for the funds available

Your school financial statement and budget recommendations are as follows:

I have met with your teachers and school committee and together with their helpful suggestions I submit to you my budget recommendation for next year in the amount of \$60,800.

The school committee and I also recommend and strongly urge the citizens at Town Meeting to approve the completion of the sixth room for use in September, and appropriate a sum of money for same.

In closing may I thank the teachers, the school committee, non-teaching personnel, and all citizens who contribute to the progress of schools in Hancock. We are all working together in the common cause to benefit your children. If there is any way in which we can all improve your schools, I shall be only too happy to do my part.

Respectfully submitted,

G. FRANK SAMMIS, JR.,
Supt. of Schools.

NURSING SERVICE REPORT

I herewith submit a brief report of the service rendered the town of Hancock by the Flanders Bay Health and T. B. Association for the period beginning January 1, 1965, and ending December 31, 1965.

A complete school health program, consisting of routine school inspection of grade pupils, immunization clinics for both school and pre-school children to protect them against polio, diphtheria, whooping cough, tetanus, and smallpox was conducted. Measles shots were added this year for the first time. Oral polio vaccine is now being used at all clinics; the mothers are very faithful in seeing that the program once started, is completed.

The Union's new audiometer—for testing hearing—was used for the first time this year. All grade pupils and fifty seniors from Sumner High were tested by the nurse.

The school personnel received a chest x-ray or a Mantoux test—due every two years— at the State T. B. Clinic in Ellsworth or by Dr. Stadler. All were negative for active T. B. Pupils who work in school lunchrooms received the Mantoux test—all negative

SCHOOL INSPECTION REPORT

Pupils Inspected	143
Pupils All Right	54
Pupils corrected Since Last Inspection	18

PUPILS' DEFECTS

Teeth	63
Throat	24

Cod Liver Oil pills, furnished by the Seacoast Mission, are available at school for a very small fee. Pre-school children may also receive them from the school.

SUMNER HIGH REPORT

All of the entering class, as well as all pupils going out for sports, received a physical examination by Dr. Stadler of the West Gouldsboro Medical Center. Urine testing was added to the program. Notices of any abnormalities found were sent to the parents.

Vision at Sumner High is tested by the nurse. Of 208 pupils tested, 30 were found to have a defect.

During the year, 9,461 miles have been traveled by the nurse in connection with clinics, home visits for the five-town union served, visits to give medication and treatments when ordered by the doctor, and visits to patients once cared for by the nurse who are now at Maplecrest or Urann Nursing homes.

Welfare and social service are part of the program. I wish to extend thanks to all who have helped in any way, with special mention of the fine co-operation of Dr. Stadler, Selectmen, Members of the School Board, Superintendent of Schools, Committee Members. Teachers and Parents.

Respectfully submitted,

Flanders Bay Health and T. B.
Association

CLYE RICKER, R N.,
Public Health Nurse.

IN APPRECIATION

The officers and members of Pamola Grange No. 265 wish to express thanks and appreciation for the use of the Town Hall as a meeting place.

We will be having a Town Meeting supper again this year. Many thanks to all who patronized us last year. Come and patronize us again.

Building Code

Section 1: Scope. The provisions of this chapter shall apply to new construction, alterations and additions, relocation and replacement of any building, trailer, mobile home, or part thereof within 1,000 feet of any State Highway, State-Aid Highway or Town Road, which shall be known as the fire limits.

Section 2: Building Inspector: This chapter shall be administered by the Building Inspector who shall be appointed by the municipal officers.

A: Right of Entry. The Building Inspector and his assistant in the performance of their duties, may enter any building for the purpose of making the inspection required by this chapter.

Section 3: Permit. Before the construction, alteration, relocation, repair or replacement of any building, trailer, mobile home, or part thereof, shall be commenced, the owner or lessee, or the architect, contractor or builder, employed by such owner, shall obtain from the building inspector a permit covering such proposed work.

A: Application. The application for the permit shall be made in such form as the building inspector shall prescribe, and shall contain such information as he deems necessary.

B: Approval or Refusal. The building inspector shall (1) issue the permit (2) State in writing that it has been refused, and he shall be required to state any and all reasons for refusal. This shall be done not more than ten (10) days after the application is in his hands.

C: Life of the Permit. All building permits shall be void unless work thereunder is commenced within one year from the date of issuance.

D: Display of Permit. Every building permit shall be displayed on the premises, clearly visible from the nearest road, and shall not be removed until all work covered has been completed.

Section 4: Fees. The fee shall be two dollars for the first \$1,000 or any part thereof and one dollar for each additional \$1000 of proposed work.

Section 5: Certificate of Occupancy. No building shall be occupied after its construction, alteration, repair or relocation until a certificate of occupancy issues from the building inspector. The building inspector shall issue this certificate after proper examination shows that all work was performed in compliance with this chapter.

Section 6: Size of Lot. No building shall be constructed upon or moved to any lot with a frontage width, facing any road or shore, of not less than 100 feet. If a building burns it may be replaced even though the lot may not meet these specifications.

A. No dwelling house shall be set, built or relocated less than 20 feet from any lot line.

Section 7: Minimum Floor Area. No dwelling house shall be constructed that will enclose an area of less than 600 feet of living space on the ground floor (Living Space) shall mean actual enclosed space suitable for occupancy and shall not include porches, patios and similar areas.

Section 8: Foundations. Except when erected upon solid rock or its equivalent, all buildings shall be set on a masonry foundation carried one foot below frost line, or upon a concrete slab at least six inches thick. Masonry walls shall be not less than 8 inches thick.

Section 9: Exterior Finish. The exterior walls shall be finished with a covering of clapboards, wood siding, wood, asphalt or asbestos shingles, or with masonry brick or stone. Such covering shall be completed within 180 days after the outside studding are in place. Tarred or asphalt paper, or felt, shall not be permitted.

Section 10: Roof Covering. The roof shall be covered with non-combustible or fire resistant material; except that any building or structure which is separated by at least 12 feet from other buildings may be roofed with wooden shingles.

Section 11: Chimneys. Every dwelling shall have a chimney constructed of brick, masonry units, or of reinforced concrete.

A. Chimney Liners. Chimneys in all dwelling houses shall be lined with approved fire clay or tile flue liners.

B. Chimney Heights. All chimneys shall extend not less than two feet above any adjacent ridge of building.

C. Cleanout Door. Every chimney shall have at its base, or near as possible, a cleanout opening equipped with a metal door and frame so arranged as to remain tightly closed when not in use.

D. Corbeling. No chimney shall be corbeled more than one inch per course nor a total of six inches in the entire length of the chimney.

Section 12: Smokepipes. Smokepipes shall not pass through, along, under or over, any combustible floor, ceiling, wall or partition, unless it is properly guarded with double metal with at least three inches of airspace between or by five inches of non-combustible material.

Section 13: Electrical. All electrical entrance work shall be done by a licensed electrician, and no electrical wiring shall be covered or concealed until it has been inspected and permission to conceal has been given by the building inspector.

Section 14: Plumbing. All plumbing and sewerage disposal shall be in strict conformance with the State of Maine Law and the State Plumbing Code.

A. Privy. All privies, privy vaults, open sewerage drains, and similar system are prohibited.

Section 15: VIOLATIONS. Any building, dwelling, trailer, mobile home, or part thereof constructed, relocated, repaired, or any work performed thereon, in violation of the provisions of this ordinance or the occupancy of any building without the required certificate of occupancy shall be considered a NUISANCE.

Note MRS. T 30, s 2151, sub 4, E 1, "Any building, structure, trailer parking facility or equipment existing in violation of an ordinance authorized by this subsection is a nuisance".

Section 16: Penalty. Any person found guilty of violation of any provisions of this chapter shall be subject to a fine of not less than five (5) dollars, or more than one hundred (100) dollars for each offense. Each day in which a violation is proved to exist shall constitute a separate offense under this section.

THE WARRANT

HANCOCK, SS.

STATE OF MAINE

To Jean Aldrich a constable of the Town of Hancock in the County of Hancock.

GREETINGS:

In the name of the State of Maine you are hereby required to warn and notify the inhabitants of the Town of Hancock, in said County, qualified by law to vote in town affairs to meet at the Town Hall in said Town on Monday the 14th day of March, 1966 at 1 o'clock in the afternoon then and there to act on the following Articles to wit:

Article

- 1 To choose a Moderator to preside at said meeting.
- 2 To choose by secret ballot the following officers for the ensuing year. Three Selectmen the three selectmen to act also as Assessors and Overseers of Poor, Treasurer, Town Clerk, one member of the School board, one member of School District Trustees, Road Commissioner. The Polls will be opened at one fifteen o'clock in the afternoon and closed at six o'clock P.M. The remaining business to be transacted under this warrant after 7:30 P.M.

- 3 To see if the Town will vote when the 1966 taxes will be due and when and how they will be collected.
- 4 To see what the Town will vote as compensation for the following elective officers Selectmen, Clerk, Treasurer, Members of the School Board.
- 5 To choose a collector of taxes and vote his or her compensation.
- 6 To choose an Excise tax collector and vote his or her compensation.
- 7 To choose Constables.
- 8 To choose all other town officers.
- 9 To see what sum of money the Town will raise and appropriate for State-Aid Road Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of section 44, 49 and 50 Chapter 23 R. S. 1954 as amended.

Budget Committee Recommendation

- 10 To see whether or not the Town will vote to raise and appropriate the sum of \$50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91 Section 108, of the revised statutes of 1954.

REPORT OF HANCOCK VOLUNTEER FIRE DEPARTMENT

This past year we bought a new tank truck and answered the following calls:

False Alarm	1
Chimney	2
Oil Burner	3
Grass	2
Woods	1
Dump	7
House	3
Filled Wells	4
Miscellaneous	1
	<hr/>
	24

We had a balance on hand February 1, 1966 of \$ 434.09; raised by Town, \$ 500.00; Hancock Point, \$ 250.00; raised by the Dept., \$ 1,750.00. We had expenditures of \$ 2,449.84, leaving a balance of \$ 484.25, February 1, 1967.

We still have a fireman on duty every Sunday to check all equipment and clean the fire house.

Respectfully Submitted,

ROBERT NESMITH,
Fire Chief

HANCOCK

SCHOOL REPORT

I hereby submit my second annual report as your Superintendent of Schools to the Superintending School Committee and Citizens of Hancock.

Schools opened in September with the following enrollments by grade:

Teacher	Grade	Enrollment	Room Total
Henry Ashmore	8	12	
	7	17	29
Eleanor Hodgkins	6	14	
	5	15	29
Marguerite Gordon	4	21	21
Alvina Moores	3	18	18
Ruth Clark	2	28	28
Virginia Davis	1	23	23
		Total	148

The following students attend high school:

Ellsworth High School: (37)

Freshmen: (10) Paula Bowden, Thomas Forni, Freda Gatcomb, George Gatcomb, Alan Grant, Douglas Pinkham, Albert Springer, Elaine Stevens, Suzanne Stratton, Cornelius Wilbur.

Sophomores: (12) Bruce Clarke, Sharon Hudson, Manley Lounder, Beth McMillan, Jane Partridge, Anita Pond, Nannette Thorsen, Sally Thorsen, Steven Warford, Roxanne Moore, Annette Copperthewaite, Peter Edgecomb.

Juniors: (6) Donald Abbott, Paula Gatcomb, Larry Grant, Linda Grant, Nancy Hardison, Lucille Stratton.

Seniors: (9) Loren Clarke, Paul Dow, Junemma Foss, Edwin Kidder, Robert McVay, Dennis Moon, Franklin Phillips, Richard Springer, Walter Walker.

Sumner Memorial High School: (17)

Freshmen: (4) David Kief, Richard Knowlton, Lois Gordon, Joyce Gordon.

Sophomores: (5) Sheila Lounder, Lauren Moon, Alexander Paganucci, Janet Phinney, Danny Warford.

Juniors: (3) Bradley Carter, Bruce Carter, Wanda Gordon.

Seniors: (5) Dianne Carter, James Johnston, Gerald Kief Jr., Marjorie Kief, Beverly Walker.

Instruction

The Town of Hancock is to be commended for completing the extra classroom last summer and thus relieving the crowded conditions that existed last year. As you can see we are now able to provide one teacher for each of the first four grades where individual attention is needed most. We have also been able, through federal aid, to provide a teacher's aide in the lower grades and one in the upper grades as well. These programs have been without cost to the town. Mr. Ashmore, Mrs. Hodgkins, Mrs. Gordon, Mrs. Moores, and Mrs. Clark have all returned to make a solid core of fine teachers. In the fall we started with Mrs. Preble but she stayed only through the first term. Mrs. Davis, a local teacher has filled in very ably since that time. We hope to retain most of these teachers another year.

I must emphasize however, that no matter how good a program you have, nor how good the teachers are, your children are all suffering from not having a Kindergarten. You are depriving children of that all-important first year; you are expecting the teachers to accomplish as much in eight years as other schools do in nine; you will eventually be sending your children to high school short-changed in their elementary program. This shows up more and more in your school and it should be remedied as soon as possible.

Again I cannot urge you too strongly to keep in mind the possibilities of an area Junior High School Program. The day is not too far away when you will have to decide on this issue. It can probably be hastened by a School Administrative District.

These, then, are the two glaring deficiencies in the Hancock School System requiring first attention: A Kindergarten and an area Junior High School.

School Administrative District

Your committee, as well as the school committees of Ellsworth, Lamoine, Surry, and Trenton have petitioned the State Board for permission to form a School Administrative District. This matter will be placed before the voters this spring at a special town meeting called for that purpose. We hope, in the next two months, to supply the citizens with as much information as possible concerning this proposal. Facts and figures will be published in the local papers and over the radio. Public discussion meetings will be held. All information at present would indicate that this proposal would be most advantageous to Hancock, Lamoine and Ellsworth. While you should look first at the educational advantages, it will also be of financial benefit to Hancock, if it goes through. I recommend that you vote in favor of this when the time comes.

Budget

You are in an enviable position this year on your school budget. While your gross budget is up about \$ 1,700.00 the net cost to the tax payers may drop as much as \$ 8,000.00 This is due to several items.

First you have a balance forward to credit this years budget from last years in the amount of \$ 7,360.00 Add to this an increase in subsidy of \$ 2,100.00 and you have offset the increase considerably. Last year you raised \$ 60,800.00 for support of schools. This year we recommend that you raise \$ 52,625.00. With this saving of over \$ 8,000.00 you would be in a very good position financially to add your Kindergarten this year if enough citizens so desired. We estimate a suitable program could be provided for about \$ 3,500.00 the first year, including a teacher, supplies, books, equipment, extra transportation, rent, heat, insurance, and electricity. The continued cost, once established, would probably run about \$ 5,000.00 per year.

NURSING SERVICE REPORT

I herewith submit a brief report of the service rendered the town of Hancock by the Flanders Bay Health and T. B. Association for the period beginning, January 1, 1966 and ending December 31, 1966.

A complete school health program, consisting of routine school inspection of grade pupils, immunization clinics for both school and pre-school children to protect them against polio, diphtheria, whooping cough, tetanus, and smallpox, was conducted. A measles clinic was held at the Rec. Center; oral polio vaccine is now being used at all clinics.

The Union's new audiometer is proving very useful. Routine testing is given students entering school for the first time, 8th graders and Seniors. Pupils referred by the teachers, and pupils transferring from other schools are also tested.

The State X-ray T. B. Clinic at Ellsworth has been discontinued. School personnel now have to be X-rayed or receive a negative Mantoux test. An arrangement was set up by Dr. Stadler with the Ellsworth Hospital for school personnel to be X-rayed for \$ 5.00 each. Pupils who work in the lunch rooms of the various schools receive the Tine test; all were negative for T. B.

SCHOOL INSPECTION REPORT

Pupils Inspected	145
Pupils O. K.	54
Pupils Corrected Since Last Inspection	19

PUPILS DEFECTS

Teeth	67
Throats	21

Cod Liver Oil pills, furnished by the Seacoast Mission, are available at school for a very small fee. Pre-school children may also receive them from school.

A special program was conducted by the State Department during a strep throat epidemic. Dr. Stadler from the Medical Center held a meeting for the parents of those found positive in our Union, and they were given medication at a reduced cost.

All the entering class, as well as pupils going out for sports, received a physical examination by Dr. Stadler. Urine testing was added to the program. Notice of any abnormalities was sent to the parents.

The upper three classes received the hearing test — 197 students. Seniors and some teachers received the Tine test for T. B. The positives were X-rayed at Ellsworth Hospital. No active T. B. was found. 248 pupils received a vision test given by the nurse.

During the year, 9,534 miles have been traveled by the nurse in connection with clinics, home visits for the five-town Union, visits to give treatment and medication as ordered by the doctor, and visits made to patients now at Maplecrest or Urann Nursing homes who were cared for by the nurse.

Welfare and Social service are part of the program. I wish to extend thanks to all who have helped in any way with special mention for the fine co-operation of Dr. Fred Cushman, members of the School Board, Superintendent of Schools, Committee Members, Teachers, and Parents.

Respectfully Submitted,

Flanders Bay Health & T. B. Assoc.
CLYE H. RICKER, R. N.
Public Health Nurse

IN APPRECIATION

The Officers and Members of Pamola Grange no. 265 wish to express thanks and appreciation for the use of the Town Hall as a meeting place.

We will be having a Town Meeting supper again this year. Many thanks to all who patronized us last year, Come and patronize us again this year.

PAMOLA GRANGE #265
